**SUNLIGHT**  
PRODUCTS

*Covering the windows of Australia*

# Traditional with a new modern look.

ROLLER BLINDS offer the choice of a traditional finish or the exciting new look of a contemporary design, available in our extensive range of easy care fabrics, trims and accessories.

Our extensive range of fabrics allows you to choose from contemporary sheers and translucents for softly filtered light or blackout fabrics for room darkening.

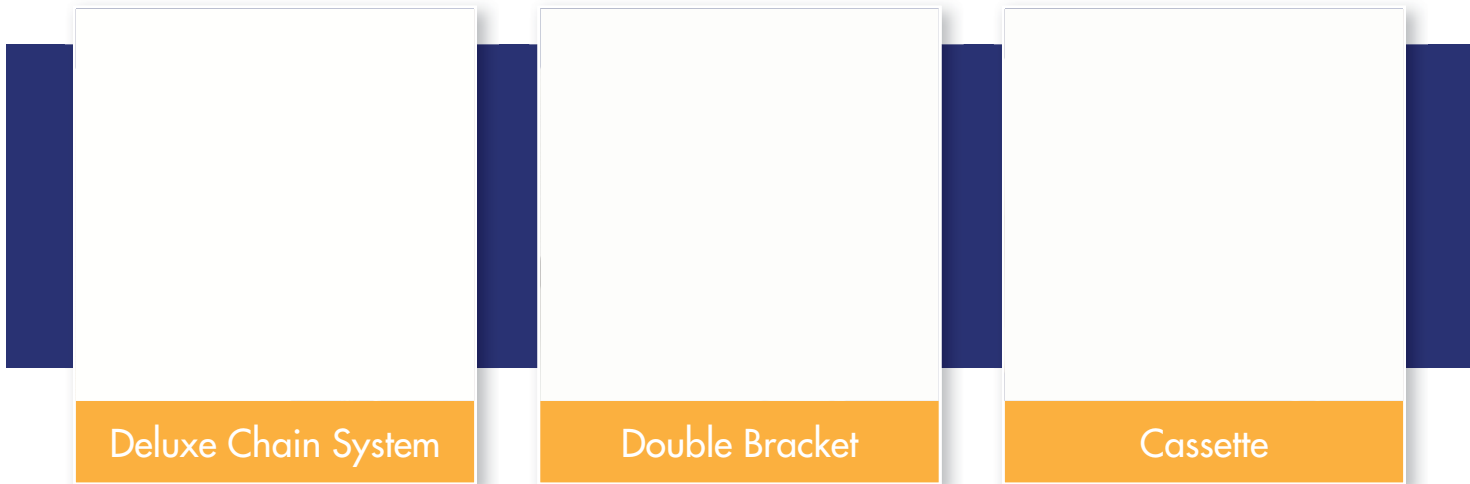

Choose from “chain control” for smooth operation or spring operation for ultimate child safety.

ROLLER BLINDS can also be motorised with switch or remote control operation.

Our Trim Selector will guide you through our extensive range of colour co-ordinated accessories and trim styles. A tensioning device is installed with all chain controls to ensure your child's safety.

**Care Instructions:** Dust regularly. Most smudges & stains can be removed by sponging gently with a solution of mild detergent and warm water. Avoid vigorous rubbing and never use solvents.
