# The practical alternative with the real wood look.

TIMBERSTYLE Blinds are the practical affordable alternative to timber venetians with the look of real wood.

Manufactured using advanced polystyrene polymers, TIMBERSTYLE is resistant to cracking, peeling, discolouration and warping. TIMBERSTYLE is ideally suited to Australian heat conditions.

Unlike it's timber counterparts, TIMBERSTYLE has no variation in colour and texture, and is completely washable with no need for refinishing. Perfect for bathrooms and ensuites.

Slat widths are available in 50mm or 63mm in a fashionable range of colours. **TIMBERSTYLE** offers two valance styles for that finishing touch.

Breakaway tassels for child safety are designed to separate should a child become entangled in the cord loop
