

VERTICAL BLINDS

Covering the windows of Australia

Optimal light and privacy control

The crisp sleek simplicity and modern lines of VERTICAL BLINDS will complement any decorating style.

VERTICALS provide optimal control for light and privacy.

Choose from an incredible range of long-life low maintenance fabrics. You'll love our exciting new season colours, textures and designs.

Light filtering and blackout fabrics are available in 63mm, 89mm, 100mm and 127mm fabric widths to suit any application.

Experience the ultimate in tracking systems with wand control or traditional "cord and chain" operation.

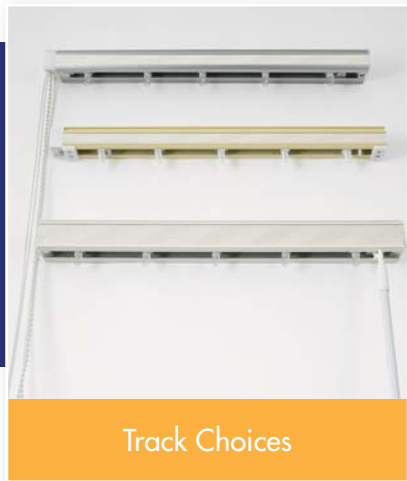

PVC RIGID VERTICALS in designer colours & textures provide an easy clean practical alternative to fabric.

A cord tensioning device is installed with each VERTICAL BLIND to ensure your child's safety.

Pelmet

Track Choices

Chained or Chainless weights

Care Instructions: Spot clean dirt and marks with a sponge soaked in luke warm water & mild detergent.
