

50mm Aluminium Venetian

50mm ALUMINIUM VENETIANS are a classic window covering choice which suits both traditional and contemporary decor in both residential and commercial settings. They provide excellent light control, heat control, ventilation and privacy. Sunlight Products, 50mm ALUMINIUM VENETIANS are cord operated for both drawing up and closing/opening the blind. They are particularly suited to large span windows.

2500mm	150mm	185mm
3000mm	170mm	205mm

Child Safety

Breakaway tassels are fitted to each blind so that they will separate into 2 pieces when pressure is applied to the cords.

Cleats are also supplied to ensure that the cords can be tied up of the way when the blind is pulled up.
